◆ HEIRLOOM COSTUME

We're putting the recession behind us, but not without learning a few careful lessons. Number one: cheaper isn't always the most practical. So when we saw this versatile and durable dragon costume, we knew that the Canadian mom who made it was after our consumer-savvy hearts. The vest and crown fasten with Velcro and adjust to fit from sizes 3 to 12, which means it will grow with your child and can be passed on to each beast in your brood. Plus, moms and dads can wipe the vinyl costume clean of melted chocolate and gummies after each Halloween (and dress-up days in between). *Dragontail Vest & Fire Crown, \$149, Fancy Pants Kids. Cotton pajamas, \$31 for top and bottom set, Hatley.*
